Notice of Site Walk to review existing and proposed heights of Cellular Utility Pole & Proposed Tower at Sugarloaf Maintenance Garage

Please plan to gather at the site located at the Sugarloaf Maintenance Garage, accessed from Bucksaw Drive (road that goes up to the Timbers Condos then take first left). The Applicant will briefly overview the proposal and then demonstrate the proposed height for a new structure with a balloon or a drone so that height can be assessed from several vantage points.

The Applicant, (agents for AT&T) are preparing their application for a Conditional Use Application to upgrade the Temporary Pole that currently exists. The full Conditional Use Application will be taken up by the Planning Board at a subsequent meeting held at a later date.

Plans for inclement weather will be communicated if encountered.
