

Carrabassett Valley School Committee
Education Forum Discussion
at the CV Public Library, Begin Room
Wednesday, April 27, 2022, 5:00 pm

The Carrabassett Valley School Committee would like to invite you to a follow-up discussion centering on the surveys sent to all taxpayers last summer and the results of the Education Roundtable Discussion held on January 12, 2022. This Forum will take place on April 27, 2022, at 5:00 pm in the Begin Room at the Carrabassett Valley Library. Please join us in discussing the current and what the ideal school program would look like in the future for the children of Carrabassett Valley

The discussion will focus on the educational issues YOU wish to discuss. The following are a list of topics we anticipate may come up for discussion.

- Options for secondary school for local residents now and what that may look like in the future.
- MSAD 58's decision to restructure the K-8 program, with Pk-4 students at either Kingfield or Phillips Elementary Schools, and all 5-8 students at Strong.
- Impacts on local taxes from increasing and shifting enrollment: and
- School Budget Trends

For more information, please contact Wendy Russell, School Administrative Assistant, @ wrussell@carrabassettvalley.org, or Dr. Regina Campbell, Superintendent @ drreginacampbell@gmail.com

This meeting will be directly followed by a regular School Committee Meeting at 6:00 pm.
