

RECREATION COMMITTEE MEETING MINUTES

July 1, 2022 - 8:00 A.M – Town Park Pavilion

Attendees: Deb Bowker, Karen Campbell, Dutch Demshar, Bob Duport, Rob Healey, Leah Ross, Liz Stefany

1. A motion was made by Dutch and seconded by Karen to approve the February 11, 2022 **Meeting Minutes** as written. Voted 5-0

2. **Park-** A discussion took place concerning the **snow removal** surrounding the Town Office that adversely affects the turf as well as the brick pathway that has been damaged over a period of time.

It was agreed upon that we would ask that this approach to snow removal be remedied, that and we will address this with the Town Administration. We will also research shade awnings for the pool grounds.

3. **Programs-** Spring golf was busy as Scott Hoisington, Rick Lewis and our local area youth utilized the golf simulator at the Sugarbowl until we can play on course at Diadema, Moose Meadows, Wilson Lake and Sugarloaf.

4. Our **AGC** winter offerings were busy in terms of private Climbing Wall, Trampoline & Skate Lessons. Program Assistant Leah Ross, Instructors Alex Lund, Francois Moretto, Dave Clark, Keith Clark and office staff Linda Cloutier welcomed a record number of new homeowners to the valley. Sarah Sindo and Terrie Hoops taught Yoga and Chair Yoga.

5. Karen discussed Carrabassett Valley's 50th anniversary via **Summerfest Aug. 6** inclusive of a music festival with the Outerspace Band, Penobscot Nation Drummers and Jason McClure as well as an Art Show, Crafters, Vendors and Food & Beverages.

6. Chip Cochrane did an outstanding job grooming the **Narrow-Gauge Pathway** and in his absence Sterling Smith and crew from the Outdoor Center filled in. We will conduct our basic maintenance and fall mowing as well as cleaning culverts as time allows. Trail Boss Josh Tausas has two crews working at the Outdoor Center and Wyman Project. The Wyman trail corridor construction will begin in late August.

7. We briefly discussed the potential **Sugarloaf Projects**, and it was mentioned that an adequate water supply for the Nordic Trail Snowmaking Project be studied in the very near future. D.E.P Permitting will have to be in order prior to funding the project.

8. Other Business- **None**
