Permit Notes:

- 1) This Permit Application is to be submitted prior to any activity commencing.
- 2) This Permit will be valid for Two (2) Years from the Date of issuance, and if it has not, this Permit shall be Null and Void.
- 3) Carrabassett Valley has a woodstove ordinance that allows for only one appliance per flue. All stove installations must be inspected prior to use. Smoke detectors are required by law to be hard wired into all dwellings.
- 4) Bedrooms and sleeping areas must have at least two means of egress. Windows in sleeping areas must have a net clear opening of at least 5.7 sq. feet.
- 5) Upon completion of the project, final inspection shall be requested of the CEO and occupancy of the space shall not occur until a Certificate of Occupancy is issued by the CEO.
